CRESCENT PROJECT'S
**DIGITAL
OUTREACH**
INITIATIVES

Whether it is one-on-one personal relationships with young Muslims or social media campaigns focused on particular Muslim people groups or regions, Crescent Project wants to invite you to join us in following Jesus into the digital neighborhoods where Muslims are hanging out.

You can be part of the mission to see the day when every Muslim has an opportunity to respond to the gospel and be connected with a follower of Christ.

Here are a few ways you can be involved:

- Become a digital ambassador
- Develop engaging social media content
- Help us create social media outreach campaigns
- Create Biblical studies for engagement and followup
